# Forest Electric

New Jersey

An EMCOR Company

## A Single-Point of Contact— for Greater Cost Control, Schedule Control, and Quality Control

**Forest Electric New Jersey is a full-service, single-source electrical design-build contractor.**

We have the electrical capabilities needed to act as the single point of contact for all phases of a project—from **estimation** and **preconstruction** to **engineering**, **construction**, and **post-construction**—in order to complete projects on time, on budget, and to the highest standards of quality.

### Adding Project Value, Every Step of the Way

The goal of our design-build approach is to add value to projects and shorten delivery times wherever possible. We perform comprehensive analyses—covering financial needs, location restrictions, electrical systems, and more—to help us identify value-engineering opportunities. By overlapping construction and design, we're able to meet aggressive schedules. After construction, we provide walk-throughs, hands-on training, and core documentation for owners, facility managers, and facility management teams. Equipped with years of design-build experience, our project managers and engineers collaborate closely with our clients to help ensure projects are completed on time without sacrificing attention to detail.

### WHAT CAN WE DO FOR YOU?

#### Forest Electric Corp.

206 McGaw Drive, Edison, NJ 08837

T: 732.509.1100 F: 732.509.1090

### Advantages of Design-Build:

- > Continuous control of project costs
- > Continuous value engineering with owner input and real-time cost data
- > Fully coordinated project from design through construction
- > Intimate knowledge of systems and components from field experience allows for the use of innovation and state-of-the-art systems
- > Concurrent design and construction to facilitate accelerated schedules
- > Knowledge of local building codes can help minimize delays and costs and improve response time

### OUR INDUSTRY SAFETY AWARDS INCLUDE:

**NJSA Excellence in Safety** — 2012, 2013, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025

**National Safety Council, Perfect Record Award** — March 2016-February 2021

**National Safety Council, Million Work Hours Award** — March 2016 - October 2019

**CNA Insurance Company, 638,885 Labor Hours with Zero Recordable Injuries** — 2018

**State of New Jersey Governor's Annual Safety Award** — 2018, 2019, 2023, 2024, 2025

**NECA Safety Excellence Award** — 2011, 2018, 2019, 2024, 2025

**NECA Safety Ambassadors Medal** — 2019, 2021, 2024

**NECA Recognition of Achievement Zero Injury** — 2019, 2021, 2024

**EHS Today One of America's Safest Companies** — 2020

**National Safety Council Occupational Excellence Achievement Award** — 2021

**National Safety Council Safety Leadership Award** — 2016-2021

### Our Design-Build Services:

- > Prefabrication
- > Conceptual budgeting
- > Design sequencing
- > Value engineering
- > Project coordination meetings
- > Material and equipment pre-purchasing
- > Schedule development
- > Pre-construction activities
- > Building information modeling (BIM)
